BABUSHKA FUND SCHOLARSHIP PROGRAM

Nightlight Christian Adoptions is a 501(c)(3) public benefit corporation which provides adoption services to families throughout the United States through its licensed offices in California, Colorado, and South Carolina. In order to maintain program fees which allow more families to provide homes to children without parents, Nightlight relies on donations from its client families and other supporters. In addition, Nightlight established the Babushka Fund to assist families who might not otherwise be able to afford the costs of adoption to adopt a child who might not otherwise be adopted.

Recently, Nightlight's Board of Directors established a scholarship fund to support the adoption of harder to place or special needs children in its domestic, international and embryo adoption programs. A scholarship committee will review applications and make awards of \$2,000 to \$5,000 to prospective adopting families. These awards, underwritten by donations to the Babushka Fund and the operating budget of the agency, will be issued as credits against the program fees for eligible adopting families. The scholarships are meant to assist families and do not replace needed financial commitments and other fund raising which the family might undertake.

Interested families should complete a Babushka Fund Application and submit it along with the following documents to Nightlight Christian Adoptions:

1. Adopting Family Application
2. Credit Check and General Consent Form
3. Financial and Net Worth Statement
4. Copy of Tax Returns for Prior 2 Years (minimum of first two pages of Form 1040)

The Scholarship Committee will notify the applicants of its decision. Prospective Adopting Families need not submit the preliminary application fees until the Scholarship Application is acted upon.
