

Traveling east or west, exit the **91** freeway at **Lakeview**. Proceed north on Lakeview (away from the hills and toward the mountains in the distance). You should pass Kaiser Permanente. Continue on Lakeview through **La Palma Avenue**. **Miraloma** is the first street on the **left**. Look for a left-hand turn lane, as there is no traffic light. Make a left at Miraloma. Nightlight is in the first block, on the left.
