- Greetings
- We're Moving!
- Summer Tours
- Ways You Can Help

Greetings

Dear Friends,

We hope you are all having a wonderful summer making special memories with your families--taking fun vacations together, trips to the beach, barbeques, all the things that summer is made of.

We wanted to share with you some of the exciting news that is taking place at Nightlight. First of all, our headquarters' office is moving on October 1st from Fullerton to Anaheim Hills. We also want to update you on our successful 2009 Taiwan and Ukraine Summer Tours and share ways in which you may become involved in our work.

We'd also like you to know that The Embryo Adoption Awareness Center is busy reaching out to fertility clinics, other adoption agencies, and the public to broaden awareness of this wonderful option for building a family. You may view the latest video by going to www.embryoadoption.org/videos/vp_combo_story_2.cfm.

We continue to reach out to women facing unplanned pregnancies and have several who are working with Mary Madison, our birthmother counselor. If you have been wanting to adopt, but thought the wait would be too long, this may be the time to speak with one of our social workers (victory@nightlight.org) about domestic adoption.

We always look forward to hearing from you and cherish your support and prayers.

We're Moving!

October 1st and 2nd
4430 East Miraloma Avenue, Suite B
Anaheim Hills, CA 92807
(714) 693-KIDS (5437)

We are very happy to announce that we will be moving in October. We have found a wonderful site to move our headquarters' office. It is convenient to get to, just off the 91 Freeway at the Lakeview exit. It has just the right amount of space, including a classroom. And the lease arrangements are very attractive! As our lease in Fullerton was drawing to an end, with the prospect of the rent rising significantly, we have been praying for and seeking an alternative. We feel very blessed to have found this new space.

We'd love to have your help in getting us ready for the move as well as on moving day and are still in need of more moving supplies (especially file boxes). We will be moving October 1st and 2nd and plan to be operational on Monday, October 5th. If you would like to volunteer, please contact us at www.nightlight.org/contact-christian-adoption-agency/. And of course we look forward to welcoming you to the new office after we're settled.

Summer Tours

We feel very fortunate to have had two tours of children visit the U.S. this summer. A group of children from Taiwan came to Southern California and children from Ukraine visited South Carolina. Both tours were very successful.

In July 11 boys and girls, from 6-11 years of age, visited Southern California from Taiwan. They had a fabulous time with their families. They went to the beach, a pool party, Disneyland, sang "Jesus Loves Me" in Mandarin and English at Calvary Chapel and best of all, got to spend two weeks with a family!

Our South Carolina Office hosted 7 children from Ukraine. The children visited a children's museum, played soccer with church friends, went to a water park, and had the opportunity to hear the gospel.

Please pray for the children from both of the tours, that they would soon be in their forever families. If you would like to learn more about future tours, please contact us. We are working on 2010 Summer Tours from Taiwan, Ukraine, Kazakhstan,

Russia and Uganda. Please let us know if you would be interested in participating or supporting the Summer Tours.

Ways You Can Help

Help with our Move

Our staff in California is all working hard to get our office packed up for our coming move. If you live in the area and would like to help, we would love to have you join the fun. We also need a few things. If you've moved recently, you know how fast boxes get filled. We have been collecting boxes and have purchased more, but if you have a resource for cheap (or free) boxes, we could certainly use them. For the new office we will need tall storage cabinets to line the classroom wall; if any of you know of a good source for used cabinets that are still in good condition we would love to hear about them. Another item for our Wish List is a big screen TV for our seminars. If you are able to help in any way, please let us know.

GoodSearch and GoodShop

If you would like to help Nightlight financially, there are some easy ways you can do that. Even if you're not able to write a big check (though we always appreciate those, too), you can search the internet by signing up and searching through GoodSearch. Just go to www.goodsearch.com and designate Nightlight Christian Adoptions as your charity and you'll be supporting Nightlight without spending an extra cent!

The same applies to shopping online, just go to www.goodshop.com and designate Nightlight Christian Adoptions as the charity you would like to support. As much as 37% of each purchase will be donated to Nightlight by the retailer. There are hundreds of great stores, including Best Buy, Target, Gap, Macy's, Amazon, Barnes & Noble, to name a few.

Thank you for your support and be sure to tell your friends!

Cars4Causes

If you would like to donate an old car, truck, van, RV, or boat, regardless of where you live, you may contact Cars 4 Causes and they will take care of everything. Just phone 1.800.766.CARE (1.800.766.2273) and tell them you would like the proceeds to be given to Nightlight Christian Adoptions. You may also go directly to their web site: www.cars4causes.net.

Help for Birthmothers

If you would like to help our ministry to reach out to birthmothers, you may assist us by donating gift cards (for places like Target, Starbucks, chain restaurants, gas cards, etc.). While they are waiting to be matched with an adoptive family, many birthmothers struggle financially. Email Kathryn@nightlight.org, and ask how you may help.
