Greetings

Dear Friends,

The summer has flown by--with tours, reunions, garage sales, family vacations--and now the kids are getting ready to go back to school. We have enjoyed every minute of it and loved seeing lots of our families at our reunions.

We have some fun events coming up and want you to cast your eyes to the right to see our calendar for upcoming activities. We are already thinking about the video presentation we'll be putting together for our Annual Gala Dinner on March 12th so we'd like you to be sure to send your photos in! We'd like to share photos of our families and children from all of our programs--current ones and those from long ago, so please start sending those in to us, email or snail mail, both are fine.

Sincerely,

Kathryn Deiters
Director of Administration and Marketing

2010 Summer Tour and Reunion

The Summer Tour was a great success. The children from Russia and Taiwan had a special time with their host families seeing the sights, going to the beach, visiting Disneyland, and performing at local churches.

After their two week stay in California, the Russian children went on to Colorado where they were again welcomed by families and churches and got to ride horses and see the sights of Colorado.

During the California Tour the **Annual Nightlight Reunion** was held.

2010 California Reunion

The kids had a great time at the reunion, eating and playing--and of course enjoyed the finale--the Annual Watermelon Frenzy!

Would you like to be a part of next year's tour? Please [contact us](#). We need to hear from you now so that we can begin planning for 2011. Let us know if you would like to be a part of the fun!

For more information about the tours, please visit our [web site](#) or [contact us](#). We'll be happy to answer your questions..

Choir Outreach Opportunity

We are broadening the outreach of the Russian Choir this year. We've enjoyed having girls, already adopted into their families, sing Christian songs in Russian as part of the Summer Tour Performances. Now, we would like to invite adoptees--girls **and** boys, from Russian speaking **and** Chinese speaking countries--to be a part of our Choirs that will go to churches throughout the year to sing Christian songs to raise awareness of the need for our love, prayer and hopefully a forever family for the many orphans around the world.

Please let Kathryn know if you would like more information about this special opportunity. Current fluency in your native tongue isn't a requirement--but a passion to help orphans worldwide is! We would love to have you be a part of this special outreach.

Easy Ways to Support Nightlight

Every time you search the internet or shop online you could be supporting Nightlight. It's safe, it's free, and it will take less than 2 minutes to download the GoodSearch toolbar. The toolbar is free to download and allows you to raise money for Nightlight every time you search or shop online! Once added to Internet Explorer or Firefox, each time you shop at more than 1,300 stores (from Amazon to Zazzle!) a percentage of your purchase will automatically be donated to Nightlight at no cost to you (you may even save money as the toolbar provides coupons and promotions!). The toolbar also has a search box and each time you search the Internet, about a penny is donated to Nightlight!

Please take a moment right now to [download the toolbar](#). And, please pass this along to all of your friends. The two minutes it takes to add this toolbar to your browser can make a lifetime of difference for children longing for a family.

Professional Help

We are looking for people who would like to donate their services to Nightlight as needed. We don't often need a plumber, an electrician, or a general handyman, but the need arises periodically and we would like to know who to call. Please [let us know](#) if you are interested in helping out.

Laptop Needed

Mary Madison, our birthmother counselor, needs a new laptop. The one she is currently using is aging and slowing down considerably. If you have one you are able to donate, please [let us know](#).

Birthmother Support

You could help a birthmother during a difficult time in her life by donating gift cards (e.g., gas cards, Target, Starbucks, chain restaurants). We can share these with her before she is matched with a family. Please [contact us](#) if you'd like to help.

Cars 4 Causes

If you have an old car, truck, van, or boat, regardless of its condition, you may contact [Cars 4 Causes](#) and they will take care of everything. Just let them know you would like the proceeds to go to Nightlight Christian Adoptions.
