It is difficult to fathom the size and
complexity of the universe—
It is also difficult to comprehend the
magnitude of the needs of orphans
What Can You Do?

OrphanGalaxy

SCHOLARSHIP TRAINING

Orphan Galaxy offers adoption SCHOLARSHIPS for families adopting older children or children with special needs.

Orphan Galaxy TRAINS children who are aging-out and leaving orphanages, to give them life skills. We do this by supporting *The Harbor* in St. Petersburg, Russia.

AID

Orphan Galaxy provides AID to orphans and their orphanages. Your gift supports the *Tender Hearts Baby Home*, in Kampala, Uganda.

RESCUE

Orphan Galaxy RESCUES victims of orphan trafficking by supporting *Make Way Partners* in Sudan and Romania, as well as *Restore Innocence*.

SPONSOR

Orphan Galaxy SPONSORS tours of orphans to the U.S. to raise awareness of older children who are in need of families and waiting to be adopted.
