

Nightlight® Christian Adoptions International Adoption Program Description

Taiwan

GENERAL INFORMATION

Taiwan is a beautiful tropical country that borders East China Sea, Philippine Sea, South China Sea and Taiwan Strait. The larger part of the island's inhabitants are the descendants of immigrants from the various provinces of mainland China, but in particular from the southeastern coastal provinces of Fujian and Guangdong. Because the different ethnic groups have fairly well integrated together, differences that originally existed between people from different provinces have gradually disappeared. About 360,000 indigenous people, the original inhabitants of Taiwan, still live here. The official language of Taiwan is Mandarin Chinese (or Guoyu), other major dialects like Minnanese (or Holo) and Hakka are also widely spoken. When you visit Taiwan, you will most certainly be amazed at the diversity of things this beautiful island has to offer, as a rich historical background has provided Taiwan with a multifaceted culture. The capital of Taiwan is Taipei. Taiwan is not a party to the Hague Convention on Protection of Children and Co-operation in Respect of Intercountry Adoption (Hague Adoption Convention). However, intercountry adoption process between Taiwan and the United States reflect the requirements of the Convention very closely.

Adoptions from Taiwan are conducted through a collaborative effort of a Hague accredited adoption agency in the US, the Taiwanese Central Adoption Authority (Taiwan Child Welfare Bureau) and Chung Yi Social Welfare Foundation (a licensed adoption agency in Taiwan).

The following website is a useful place to start for reading more about Taiwan adoption and the country:

13. Taiwan adoptions can take on average from 24 to 48 months to complete.

TRAVEL & ADOPTION

You receive a referral of a child from Nightlight Christian Adoptions through Chung Yi. The referral will include a comprehensive social history of the child, and the current health and development of the child. We highly recommend that you have this information reviewed by a doctor who specializes in international adoption before you make a decision. Once you decide to accept a referral, you will be considered “matched” with the child. After the court proceedings have taken place, the parent(s) travel to Taiwan to register the adoption with the Taiwan government and obtain the child’s U.S. visa from AIT (The American Institute in Taiwan). This trip will take approximately 1 week. One parent travelling is sufficient.

POST ADOPTION

Within 30 days of your arrival home, you must have a home visit by your home study provider. Your home study provider will prepare post-adoption reports and submit them to Nightlight at 1 month, 3 months, 6 months, 12 months, 2 years, 3 years, 4 years and 5 years after you bring your child home. Reports for years 6-10 will be prepared and submitted to Nightlight by adoptive family as self-reports. These reports include your child’s developmental progress and pictures. This is a very serious commitment; Nightlight is committed to showing Chung Yi and birth families that children adopted by US citizens are healthy and well cared for. Compliance with post adoption reports is also required by the Hague Convention. Therefore, Nightlight charges a fee to monitor and process these post adoption reports and also requires families to pay for the cost of the post adoption report in advance.

COSTS

The program fee for a Taiwan adoption is \$19,500. Additional estimated expenses of \$16,640 to \$21,050 will bring the total cost to approximately \$36,140-\$40,550. In addition, your out-of-pocket expenses may further be reduced if you receive scholarships or other employer-provided adoption benefits. For additional fee information, please see Exhibit A.

TOTAL FEES & ESTIMATED EXPENSES

GRAND TOTAL **\$36,140 – \$40,550**

The cost of operating an international adoption program is substantial and increasing with the additional compliance requirements under the Hague Convention on Inter-country Adoption. The nature of international adoption makes it impossible to predict the exact costs you will incur, but we believe the estimates above are realistic. Although we strive to maintain a predictable fee schedule, unexpected increase in our costs may necessitate an increase in fees. Therefore, fees may be increased upon 90 day notice. Program fees are paid in phases and are non-refundable. Nightlight establishes a budget for costs each year based on the number of adoptions it estimates completing, as well as revenue from grants and donations. Based on these estimates, we establish program fees to cover the costs of attorneys, facilitators, social workers, insurance, and other costs we incur. Of course it would be prohibitive to allocate all of the costs (payroll, rent, insurance, supplies, travel, etc) to one adoption in one program.

A late fee of 12% annual (1% monthly) will be assessed for fees more than 30 days past due.

Please initial on both this page and the following page that you have received a copy of this List of Fees and Estimated Costs.
